RE: Staker Parson Companies Beck St. NOI (M/035/019)

Dear Doug:

In response to your phone call of January 23, 2007, Figure 3 of Staker Parson Companies Beck Street NOI has been modified to include the estimated location of Lime Canyon Spring; the explanation includes text noting required Corps of Engineers consultation, and refers to the NOI text. Two copies of the revised Figure 3 are enclosed to replace those in the two 'clean' copies of the NOI submitted to the Division for final approval January 22, 2007. Thank you.

Sincerely,

A handwritten signature in dark ink, appearing to read "Linda Matthews". The signature is fluid and cursive, with a long horizontal stroke at the end.
